AlumniBasel

Your partner on the way to your career. The AlumniBasel Mentoring Program.

Your studies are in full swing and you are already wondering what comes next?

Do you have any questions about starting and shaping your career?

Would you like competent answers and practical advice from experienced people?

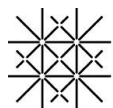

Let experienced professionals support you on your career path!

That's exactly what the Alumni mentoring program by AlumniBasel is for! We match you with an experienced professional from your field, who will advise you as a mentor for one year and accompany you on your way into the professional world.

As alumni of the University of Basel, our mentors support you with their personal experience as you start your career, point out career opportunities or alternative paths, and help you develop personally. The mutual exchange between mentor and mentee lies at the heart of the mentoring program.

For whom?

The Mentoring Program is aimed at students of all disciplines and levels of study (Bachelor, Master and Doctorate). 80 Places are available; places are allocated independently of the time of registration.

As a mentee...

- ... you formulate your goals and wishes for the mentoring program and the exchange with your mentor.
- ... you actively approach your mentor, arrange appointments and prepare the meetings.
- ... you take an important step towards shaping your transition from studies to professional life.

Mentoring is not...

- ... a job placement program for jobs and internships
- ... coaching for psychological or study-related issues. For this, there are the [Support Services of the University of Basel](#).

Process (October 2026–June 2027)

1. **Registration period: 20 May – 27 September 2026** via online registration form on the AlumniBasel website
2. **Kick-off event:** 21 October 2026, 6 PM
3. **At least three meetings with your mentor** (dates and content to be arranged between you and your mentor. Additional meetings are possible by agreement with your mentor)
4. **Additional events** will be announced throughout the year and are exclusively available to mentees
5. **Closing event:** 12 May 2027
